COMMUNICATION

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

On March 10, 2000, Applicants' undersigned representative filed an executed Declaration as well as an Assignment in the U. S. Patent and Trademark Office. The Declaration was filed in response to the Notification of Missing Requirements mailed March 1, 2000.

In that same document, Mamie P. Person, of the U. S. Patent and Trademark Office, requested that the Applicant provide a translation of the application in English.

Applicants' undersigned representative has attempted to and spoken with Ms. Person on numerous occasions, however, the file appears to be lost. Accordingly, Ms. Person has been unable to check the file to determine whether or not the English language translation is indeed present. Applicants' undersigned representative believes that the English translation of the International application is indeed present in the file at this time.

However, should the English language translation of the International application somehow have been misplaced from the file, enclosed is a copy of a new English translation of the International application.

Since Applicants believe that the original English translation was indeed submitted to the U. S. Patent and Trademark Office along with the original set of documents on January 3, 2000, Applicants' undersigned representative does not believe that the payment of a surcharge is necessary.

Enclosed is a photocopy of Applicants' postcard date-stamped by the U. S. Patent and Trademark Office on January 3, 2000, confirming that an English translation of the International application was indeed filed.

However, should it be determined that the processing fee for providing the translation of the application is necessary, the Commissioner is hereby authorized to charge any such fees which may be required to Deposit Account No. 02-4800. A duplicate copy of this sheet is enclosed.

Should Ms. Person have any further questions in regard to the subject application, a telephone call to the undersigned would be appreciated.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
